HOW TO REGISTER YOUR SHOWS

RULES & CONDITIONS OF REGISTRATION

- * Competitors can only qualify at shows registered to the Sunshine Tour in 2018.
- * Your show/centre will be listed on the website including full details and links to your website and/or schedule.
- * Shows held from 1st January to 22nd July are eligible. You should let us know specific dates so that competitors can find registered shows to compete at, we will advertise your dates on our website.
- * Please help competitors by letting them know in advance that they need to bring their own card this year. We will provide you with some temporary qualifier cards for competitors who forget their card or haven't got their own yet.
- * You must only sign qualifier forms for competitors presenting a correctly filled in form who are placed 1st to 4th in a relevant class (please make sure you are familiar with eligible classes). Double clear in jumping or certain % in dressage is not required to qualify.
- * Copy of results might be required to verify a competitor's qualification but you do not need to send all results in.
- * You are expected to run competitions to a good standard with fair judging and run according to relevant rules. We recommend British Dressage, British Showjumping, British Riding Club, Pony Club or an official show society's rules to be used. We reserve the right to withdraw registration of shows who are not 'playing by the rules' or we feel that you are not upholding the standards expected or not completing the competitors' qualification process.
