

For GUIDANCE of the flow of the day and NOT an indication of accurate timings, class length may change. Individual times published from 3rd September.

NOTE! Your Championship test does NOT have to match your qualification test (only the same level). e.g. If you qualified in Intro C, then you can choose to compete in Intro A or Intro B or Intro C. The same principle applies for Prelim, Novice & Elementary qualification tests. You can upgrade from your qualification level, but not downgrade.

Maximum number of Championships: Total of FOUR; up to TWICE at the same level & up to TWO levels (if you have relevant qualifications recorded).
